

Rotary Win – Win Charity of the Month Application
Rotary Club of Grand Manan Island

January 5, 2020

Dear Win Win Charity Applicant:

In order to be eligible to receive Win – Win monies, the applying organization must be classified as a registered non-profit group or as a registered charity. The organization must have a registered bank account in that organization's name and a board of officers or a board of directors. This is required for us to maintain our license with the province of New Brunswick.

Rotary is a non-denominational and non-political organization and therefore cannot support church or political groups.

The Win Win Committee will select 13 beneficiaries during the course of the Win Win year, which is from March 1st to the last day of February. Win Win has often received more than 13 applicants and therefore the successful applicants will be determined by secret ballot of the Win Win Committee.

Please understand that Win Win Rotary will not preselect organizations for any particular month. The successful beneficiary will be drawn every four weeks in a raffle format.

It is Win-Win's goal to reach the broadest spectrum of organizations and community needs.

The completed application must be received by the Win-Win Chairman no later than February 14, 2020. **Applications received after this date will not be considered.**
